REPORT OF THE BOARD

**General information**

Statutory name: Stichting Eneco Luchterduinen Fonds  
Corporate seat: Rotterdam  
Legal form: Foundation

**Board of management**

The board of management consists of  
R.M. Dijkstra, Chairman, from November 1, 2017  
M.S. Dincki, Secretary/Treasurer, from January 1, 2018

**Objectives**

Stichting Eneco Luchterduinen Fonds was founded on July 3, 2014. The objects of the foundation are:  
- The realization of initiatives on or nearby the territory of the municipalities of Noordwijk, Zandvoort, Bloemendaal and Katwijk, which initiatives contribute to the sustainability of the coastal area in these municipalities, whereby the elements energy efficiency, sustainable energy and coastal experience play an important part;  
- And to take all actions connected therewith in the broadest sense.

**Principal activities**

In 2016 we started the second round for the Eneco Luchterduinen Fonds. We have requested the inhabitants of Bloemendaal, Katwijk, Noordwijk and Zandvoort via advertisements to submit their initiatives. We also sent letters to the foundations, charities and associations of those municipalities to inform them about the second round. Thirdly we asked the local media to pay extra attention to the Luchterduinen Fonds and we launched a social media campaign via Facebook. We received 27 initiatives, from which 17 met the fund criteria. Beginning of 2017 people were able to vote for their favorite initiative via internet.

May 10th 2017, 8 of the 17 initiatives received support for their plans from stichting Luchterduinen Fonds. A kickstart to change the initiative into a project which the initiators will execute during 2017 and 2018. End of 2017, four projects are completed.

NOTES TO THE FINANCIAL STATEMENTS 2017

(amounts in Euros)

**1. General information**

Stichting Eneco Luchterduinen Fonds ("The foundation") was founded on July 3, 2014. The foundation has its corporate seat at Marten Meesweg 5, 3068 AV Rotterdam registered in Chamber of Commerce under number 61011452. The objects of the foundation are:

- The realization of initiatives on or nearby the territory of the municipalities of Noordwijk, Zandvoort, Bloemendaal and Katwijk, which initiatives contribute to the sustainability of the coastal area in these municipalities, whereby the elements energy efficiency, sustainable energy and costal experience play an important part;
- And to take all actions connected therewith in the broadest sense.

Related parties

The foundation was founded by Clusius CV. The board of the foundation consists of employees of (group companies of) the partners of Clusius C.V. and is appointed by Eneco Wind B.V. and Diamond Offshore Wind Holdings B.V.

**2. General accounting policies**

The financial statements have been prepared based on the principles for financial reporting of Part 9, Book 2 of the Dutch Civil Code. In accordance with Section 396 (3) of Book 2 of the Dutch Civil code, limitations in the balance sheet and in the notes are made.

The valuation of assets and liabilities and determination of financial results are based on historical costs. Unless the notes on specific balance sheet items stated otherwise, assets and liabilities are stated at nominal value.

Profits or losses on transactions are recognized in the year in which they are realized. Profits are recognized only if they are realized at balance sheet date. Liabilities and potential losses originating before the end of the financial year are taken into account as soon as they are foreseeable.

The financial statements are denominated in Euros.

Prior-year comparison

The applied accounting policies are consistent with those used in the previous year.

Use of estimates

The preparation of the financial statements requires the management to form opinions and to make estimates and assumptions that influence the application of principles and the reported values of assets and liabilities and of income and expenditure. Actual results may differ from these estimates.

The estimates and the underlying assumptions are constantly assessed. Revisions of estimates are recognised in the period in which the estimate is revised and in future periods for which the revision has consequences.

**3. Accounting policies for the assets and liabilities**

**Receivables**

Trade receivables and other receivables have an expected term to maturity of not more than one year. The other receivables includes the amounts that still need to be billed on balance sheet date.

Receivables are stated at nominal value less impairment losses.

**Cash and cash equivalents**

Cash and cash equivalents include cash in hand, bank balances and deposits with a term of less than 12 months.

Bank overdrafts are shown within borrowings in current liabilities on the balance sheet. Cash and cash equivalents are stated at nominal value.

**Equity**

The equity is the remaining of all assets less all liabilities.

**Current liabilities**

Current liabilities are recognized initially at fair value. Current liabilities are subsequently measured at amortized cost, being the amount received taking into account the premium or discount and net of transaction costs. This is usually the nominal value. The maturity is less than one year unless otherwise stated.

**4. Accounting policies for the income statement**

Income represents sponsor income as well as all other benefits that are recognized in the year in which they are realised and earned. Costs and expenses represent expenses related to the year in which these occurred.
